

## Product technical sheet

# SPORT TRAMP 2200

### Product data

|                             |                     |
|-----------------------------|---------------------|
| Length                      | 150 cm              |
| Width                       | 150 cm              |
| Total height                | 5 cm                |
| Safety zone                 | 13,6 m <sup>2</sup> |
| Free fall height            | 90 cm               |
| In accordance with norm EN  | 1176-1:2017         |
| Availability of spare parts | YES                 |

Data is subject to change without prior notice.

### Material specification

- Frame made of special hot-dip galvanized steel for below ground level installation,
- The reinforced mesh of belt material features with high level of vandalism safety,

### Additional information

- Sport equipment;
- equipment has a certificate issued by an accredited entity or a declaration of conformity;
- no sharp edges or chinks that would pose a danger of jimmieing the head, fingers or any other body parts;
- render is for reference only, the actual appearance of the equipment and its color may vary;

## Guarantee

**30**

30 year guarantee - Structural strength of steel and stainless steel components

**15**

15 year guarantee - Structural failure of steel and stainless steel, for dynamic equipment

**10**

10 year guarantee - Structural failure of high density polyethylene and high pressure laminates components

**5**

5 year guarantee - Corrosion of stainless steel and hot dip galvanized and powder coated components; against bark beetles and rot in case of wooden structural elements
